## Office Order Sustainability Committee

It is a pleasure to announce the formation of a dedicated University Committee for the Implementation of Sustainable Development Goals (SDGs) on our campus. With a profound commitment to addressing pressing global challenges, our institution has established this committee to guide and lead our collective efforts in promoting sustainability and social responsibility. Comprising a diverse group of passionate individuals from various departments and backgrounds, the committee will collaborate on initiatives and strategies to integrate the SDGs into our curriculum, operations, and overall campus culture. This important initiative reflects our unwavering commitment to creating a greener, more equitable, and socially responsible future, and we look forward to the positive impact it will have on our university community and beyond.

This committee will play a pivotal role in **promoting sustainability practices** across our institution. The formation of this committee aligns with our commitment to sustainable development and environmental stewardship.

**To proceed with the formation of the Sustainability Committee, we have decided the following key positions:**

Name	Designation	Position
Prof. Dharam Buddhi	Vice Chancellor	Chairperson
Prof. (Dr.) Rajesh Bahuguna	Dean (LCD)	Member
Prof. (Dr.) Pradeep Suri	Dean (UIM)	Member
Prof. (Dr.) Shiv Dayal Pandey	Dean (UIT)	Member
Prof. (Dr.) Vikash Jakhmola	Dean (UIPS)	Member
Prof. (Dr.) Ajay Singh	Dean (SALS)	Member
Mr. S. C. Sharma	Registrar	Member
Prof. (Dr.) Bharti Ramola	Professor, SALS	Member Secretary

The roles and responsibilities below are tailored to the specific needs and goals of Uttaranchal University, and they may evolve over time as sustainability efforts progress.

### Chairperson:

- 1) Provide leadership and direction to the committee.
- 2) Set the agenda for meetings and ensure they are conducted efficiently.
- 3) Represent the committee in discussions with university leadership.
- 4) Oversee the implementation of sustainability initiatives.

### Member Secretary:

- 1) Act as the point of contact for committee communications and coordination.
- 2) Prepare and distribute meeting agendas and minutes.
- 3) Maintain records and documents related to sustainability efforts.
- 4) Collaborate with the Chairperson to ensure the committee's work progresses smoothly.

### Members (General Responsibilities):

- 1) Act as sustainability advocates within their respective departments or areas.
- 2) Provide expertise, guidance, and input on sustainability initiatives.
- 3) Collaborate with other members to develop and implement sustainable practices.
- 4) Participate in regular committee meetings and contribute to discussions.

## Energy and Resource Management:

- 1) Identify opportunities for energy conservation and resource efficiency.
- 2) Develop and implement strategies to reduce energy consumption and resource waste.
- 3) Promote responsible resource use and recycling practices.

## Environmental Stewardship:

- 1) Advocate for the preservation of local ecosystems and biodiversity.
- 2) Oversee initiatives related to tree planting, landscaping, and wildlife conservation.
- 3) Implement waste reduction and environmental protection programs.

## Curriculum Integration:

- 1) Work with academic departments to incorporate sustainability principles into the curriculum.
- 2) Encourage the development of sustainability-related courses and research projects.
- 3) Promote sustainability literacy and awareness among students.

## Community Engagement:

- 1) Foster partnerships with local communities and organizations focused on sustainability.
- 2) Organize outreach and educational programs for the community.
- 3) Participate in regional sustainability initiatives and networks.

## Reporting and Assessment:

- 1) Monitor and evaluate the progress of sustainability initiatives.
- 2) Prepare periodic reports on sustainability efforts and outcomes.
- 3) Recommend improvements and adjustments to existing sustainability plans.

## Policy Development:

- 1) Propose and advocate for sustainable policies and practices within the university.
- 2) Review and recommend updates to existing sustainability policies.
- 3) Ensure compliance with relevant sustainability regulations and standards.

## Communication and Awareness:

- 1) Develop communication strategies to promote sustainability initiatives.
- 2) Raise awareness among students, faculty, staff, and the public regarding sustainability goals.
- 3) Maintain the sustainability section on the university's website and other communication channels.

We believe that this committee will significantly contribute to our university's sustainability initiatives, ensuring that they are implemented effectively and consistently. The diverse expertise of the proposed members will enable us to address various aspects of sustainability comprehensively.

We look forward to your kind consideration and support for this important endeavour.

  
S. C. Sharma
